

Fur Free Policy

Otrium's approach towards animal fur

Dated July 1, 2021

Version 1

regarding

Otrium Holding B.V. and its subsidiaries

(" Otrium")

1. What this policy is about

Otrium strives to be a pioneer in environmental sustainability and believes a successful future for our business and the shareholders, partners, customers and team we serve depends on the sustainability of the environment, communities and economies in which we operate.

Otrium's Sustainability Strategy is based on four pillars: Innovation, Planet, People and Animal welfare. As a fashion outlet marketplace, we carry the responsibility to consider the impacts of our actions and how they affect humane treatment of animals. We are continuously working and updating our standards around animal welfare, in order to ensure and verify the humane treatment of animals across our assortment.

2. Scope of this policy

Otrium is committed to manage and minimize its impact on animal welfare. Therefore, this Fur Free Policy covers all our operations including our suppliers, service providers and contractors. The requirements of this Environmental Policy apply to all entities and employees of Otrium .

Although this policy applies to all Otrium entities and employees, the primary audience for this policy is those responsible for its implementation, namely the partnerships team and the partners.

Otrium reserves the right to suspend partners from selling on the platform or terminate the business relationship, if they violate these guidelines and the legal requirements for such suspension or termination are met.

3. Commitment from Otrium

Otrium will make reasonable efforts not to use, sell, advertise, or promote any apparel, accessory, or other items that contain real animal fur.

Partners must provide all relevant information on request. If for any reason an item that contains real fur is advertised or promoted on the platform, Otrium will remove the item from the platform.

Fur: means any animal skin or part thereof with hair or fur fibers attached thereto, either in its raw or processed state or the pelt of any animal killed for the animal's fur. "Animal" includes, but is not limited to mink, fox, rabbit, karakul lamb and raccoon dog. "Fur" shall not include 1) such skins as are, or are to be, converted into leather or which in processing have, or shall have, the hair, fleece, or fur fiber completely removed, 2) materials clipped, shorn, or combed from animals, fleece, sheepskin, shearling, 3) leather or hair attached to skin that is typically used as leather e.g cowhide with hair attached, 4) synthetic materials intended to look like fur.
